

INSIGHTS

THE YEAR OF THE

2026

fix

BY DR. DENNIS BURKE

In December last year, the Holy Spirit spoke a phrase to Vikki “2026 is the Year of the Fix.” This resonated in her with such force. This was not intended as a New Year’s resolution, but rather as a prophetic revelation for the entire year for anyone who would act upon it.

After hearing this, Vikki responded in her typical fashion: she did a deep dive study focusing on the word “fix.” While it might seem simple to grasp its meaning, her detailed study revealed that the word encompasses a variety of amazing concepts.

By going to the dictionary, she found over 50 different synonyms that bring insight to the idea of the fix. Some of them include: cure, heal, help, mend, authorize, anchor, infuse, adjust, correct, rectify, recondition, rearrange, shift, line up, restore, make right, and many more.

Each word brings an additional facet that expands the idea of how God wants to work in us to fix areas of our lives.

“2026 The Year of the Fix” means it is time for things to shift. We can easily see that God is at work in our nation and the nations of the world. Major things are shifting economically as well as politically. Yet, on a personal level, the Holy Spirit is tugging on us, inwardly, to embrace His power to shift.

We must shift our focus from the cares of the world, the pressures of life, to the solutions in God’s Word and speak the life-changing Word to them. Our

“Wind, blow from the south and east sending the ash back to where it came from.”

words will set the shift in motion. Applying our faith does not mean we talk *about* the problems, but instead we speak *to* the problems.

In 2010, I was traveling to Paris, France to minister Sunday, and then Wednesday continue on to Moscow, Russia to minister with my friend Rick Renner. We arrived into Paris an hour late because a volcano in Iceland had erupted spewing ash into the

To drift all you need to do is
NOTHING
because the current will pull you along.

atmosphere right in our path. It turns out, we were the last flight to land in Paris before the airport was closed due to the ash that spread throughout

Europe. Thousands were stranded due to the canceled flights.

The airport officials were unable to forecast how long the airport would be closed since the volcano continued to erupt spewing ash in the air which would effect my flight to Moscow on Wednesday. By Monday I began looking for alternatives to travel into Moscow.

Vikki was in Texas praying in the Spirit and heard herself say in English, “Wind, blow from the south and east send-

ing the ash back to where it came from.” She thought to herself, *that sounds familiar*. Then she found Psalm 78:26, “He caused an east wind to blow in the heavens; And by His power He brought in the south wind.” It stated exactly what Vikki had declared. Her prayer brought a *shift* in the atmosphere. Miraculously, the Paris airport reopened Wednesday morning. My flight was the first to leave Paris when the airport reopened. I continued my travel uninterrupted as if nothing had even happened.

Although the wind shifted, it also required a shift in me as well. I had to get my eyes off of the dilemma and the possibility of being stranded and get in agreement with what Vikki had been

proclaiming from Psalm 78. “2026 the Year of the Fix” also means to anchor. What does an anchor do? It stops a ship from drifting from the current. The current of the world is constantly drifting downward. And if we allow

the world’s mindset we will drift also.

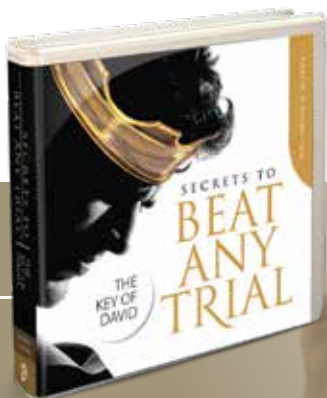

We are inundated daily with information, news, reports, and stories that can focus our attention on the dangers

around us and cause us to drift from our faith.

To drift all you need to do is *nothing* because the current will pull you along whether you realize it or not. We must swim up stream against the current. You will stop drifting when you anchor your mind by securing it by faith in God’s Word. Regardless of what you see or hear keep your words in agreement with His Word.

“2026 the Year of the Fix” also means to mend, repair, and restore. Ask yourself, “What needs mending, repair, or restoration in my life?” If the list is long, don’t be overwhelmed or discouraged. The

Holy Spirit is the Helper and Restorer. If relationships with family or friends need mending take this word by faith. This is the year for mending.

Ecclesiastes 3:7 says there is "... a time to

mend." This is that time. What needs mending? Your memory, your finances, or your health may need restoration. Speak the Word to the issues and declare the results you desire.

Job 22:28 says, "You will

also declare a thing, and it will be established for you; So light will shine on your ways." You establish His promised results by what you declare according to His Word. Then light comes to show the steps to take and decisions to make that will take you into what you have declared.

"2026 the Year of the Fix" means to infuse. God has infused you with His strength and empowered you to change. This means you have what it takes to overcome anything the devil launches against you. Notice some of the scriptures regarding infusion.

- "Be supernaturally infused with strength through your life-union with the Lord Jesus. Stand victorious with the force of his explosive

- power flowing in and through you" (Ephesians 6:10 TPT).
- "He empowers the feeble and infuses the powerless with increasing strength" (Isaiah 40:29 TPT)
- "Do not yield to fear, for I am always near. Never turn your gaze from me, for I am your faithful God. I will infuse you with my strength and help you in every situation. I will hold you firmly with my victorious right hand" (Isaiah 41:10 TPT).
- "And I pray that he would unveil within you the unlimited riches of his glory and favor until supernatural strength floods your innermost being with his divine might and explosive power" (Ephesians 3:16 TPT).

Let me encourage you to take on a mindset that Vikki developed after reading David's attitude towards his enemy. She calls it living *offensively* instead of *defensively*. She doesn't wait until she's under attack to pray and speak the Word, as soon as she's aware of a weakness she *goes after it* and doesn't quit until it's obliterated from her life.

"I chased my enemies and caught them; I did not stop until they were conquered. I struck them down so they could not get up; they fell beneath my feet. I ground them as fine as dust in the wind. I swept them into the gutter like dirt" (Psalm 18:37-38, 42 NLT).

Our greatest enemy can be the enemy within. Our thoughts, habits, fears, and past traumas can continue to defeat us until we dig in and chase those

enemies and not stop until they are conquered. Then ground them down as fine as dust in the wind. Sweeping them into the gutter like dirt.

"2026 is the Year of the Fix."
It is our time to rise up and seize our victories.
